Hey Brett,

Hope all is well. Sorry to bug you about this but wanted to see if it is possible to get a letter in time for my trip up to New Haven next weekend. Right now, over 40 alumni are going up to spend a weekend and raise money for a scholarship in honor of the 4 guys who were killed.

Don't know if you followed it at all, but the toxicology reports on the DKE brother driving the vehicle were negative... he did NOT have a drop of alcohol in his system plus he was going the speed limit. The main cause of the crash looks to be that the lights on the highway were not working. The Safety board recreated the crash scene and said that from 50 feet you could not see the trailer -- this was a freak accident.

Anyway, didn't know if you knew anyone i could talk to about facilitating this... i could put a draft letter together. The current president of DKE is

Nick Sinatra. I appreciate your help. You can reach me by email or cell

Thanks

Winston
