I think they'll do them first. They are on Senator intros of the noms now, and they are doing those for both dist and cir. They still have to do Judiciary Member opening stmts, so I think we're still a ways off 'till we hear from the noms themselves. Will keep you apprised -- we have to break for the move to SD50 also.

Massive quantities of disabled folks here at hearing in opposition to sutton. Hatch is changing the location of the hearing to SD50 in order to accommodate all of them-- the move down ther will happen shortly. Disabled were yelling outside the hearing room demanding to all be let in. It's nuts.
