[P6/b6]

Front page "Expecting a vacancy, Bush Aides Weigh Supreme Court Contenders"

Talks about ARG and the political benefits his appointment would bring as well as "delicate ethnic balancing". has a sr. administration official quoted as saying "I don't think there's any question the president would turn to him."

Also talks about J. Harvey Wilkinson, Luttig, Janica Rogers Brown, Judge Alito and even Estrada.

Hatch is in there basically calling on any justice who plans to step down to go ahead and say so.

Another thing on ARG, "One official noted that Mr. Gonzales had cultivated the notion that he was reluctant to be named to the court but that was untrue. The official noted that he still likes to be addressed as "Judge Gonzales."

I thought that was pretty cheap.

Anyway, I figured you hadn't been able to get your hands on it, and I knew you'd want to be aware of it.

have fun,
Anne
