The responsible associate counsels need also to notify the candidates and the home-State Senators this week, preferably by tomorrow. Also, note that we will have many additional nominees on May 1. That list will be sent around by Patrick tomorrow.

Subject: April 28 nominations

All,

attached is a tracking sheet of the status of the nominations that we intend to send on Monday. The only part Associate counsels are currently responsible for right now is obtaining the supporter contacts list for the media.

Thanks,
