Subject: Monday nominees

I have this morning reviewed BIs for Allen, Browning, Brack, and Sharpe, and all are good to go. For those slated to be nominated on Monday, this leaves Fisher, Waldman, and Ryan as incomplete. I have nothing back on Fisher and we have pressed the FBI to get it to us on Sunday or Monday a.m. For Waldman, we have two previous BIs (1988 and 1991) and a credit/investigation report.

I also understand from Kyle that Mosman -- who is otherwise good to go -- may be bumped to Thursday.
