Subject: Question

I'm sorry...I have no idea who to ask this to, so I thought I would start with you.

1. Can we (as the White House Press Office) release dubbed tape copies of the President's Campaign events?!? We always have requests for Presidential events that we release with out hesitation, we just wanted to make sure that we weren't doing anything wrong releasing the Campaign events.

2. Can we release dubbed tape copies of the President's Presidential events to Partisan organizations?!? For example, we have RepublicanTV.org requesting some footage of some events. Is that okay to release to them?!?

We just want to make sure we aren't mixing in places we shouldn't and doing anything wrong.

I didn't know who to ask in our office so I thought you might! You are the best, thanks so much!

G
