Subject: Details Magazine Profile

Hi Joel,

Details magazine is interested in doing a profile on your for their October issue, Power Men Under 37. They called OMB Communications looking for a member of OMB that is exuding power in his field, and I thought of you. Since you'll be confirmed by the Senate by then, I thought you might be interested. Please let me know if it's something you'd like to do.

Thanks,

Garrette
