Yes, I had read the counsel's one early on and found it very helpful. I was intending to review a few others for specific issues I am working on. Thanks for your help.

We had funding sufficient to cover seven offices important to a good start [Personnel, Counsel, Chief of Staff, Staff Secretary, Management and Administration, Press, and Communications]. There just wasn't funding to do the others. They pieces are based on interviews I did with 75 people. The Counsel interviews were interesting and you will find them worth reading.

I am attaching two pieces relating to working in a White House and then the essay on the Counsel's office.

Warm Wishes,

Martha
