Hi Brett,
I tried your number - 456-3282, is that correct? I got "you have reached a non working number. I didn't want to interrupt you by calling you on your mobile.
Anyway - I am meeting with the NYC contractors tomorrow (Friday) at 11 am about their insurance proposal. They mentioned they have been talking with you. I know you are incredibly busy - but if you could give me a call in the morning about where you guys are on it I would really appreciate it. If you can't, maybe email me or something when you get a chance? You can reach me at my temporary number P6/b6, or leave a voice mail at

P6/b6 Thanks!
