Paez got a vote and got confirmed. Arguello was nominated late in 2000 so no time. [REDACTED] P6/b(6) [REDACTED]  
[REDACTED] P6/b(6) [REDACTED] On a more general note, the number of Bush 41 nominees who were held up is very similar to number of Clinton nominees who were held up.

Subject: Judge's Sunday talk show appearances

I noticed too late this morning that the Judge was doing Fox and This Week. If someone prepares a cut-and-paste of the relevant portions of the transcripts of those two shows, I would love to see them. You could just e-mail them to this address. If nothing like that gets put together, don't worry about it.

Also, what are our talking points about [REDACTED] P6/b(6) Arguello, Paez etc.?

[REDACTED] P6/b(6)

Anyway, hope all's well with you. Talk to you soon, Brad.
