looks like those Powell talkers I gave you were not final. will shoot you a final version when I get them in case you need them for any other interviews.

Because the talking points were prepared prior to the speech our analysts are doing a Final "Final" scrub to be sure they accurately match the delivered text. Please DELETE the Talking Points versions #5 that I have sent you and expect another email from me shortly.

Again, apologies for the multiple emails but we appreciate your understanding.
