Trust you had better luck today! We are working on identifying what the problems are - [REDACTED] b(7c)/b(7e)/b(7f)

[REDACTED] Until we can get our arms around it - you may need to count on getting here a bit earlier. vbm

Subject: Parking

I wanted to alert you to something re State Place. Several of us are having trouble getting spots at 8:15 a.m. and thus are forced to park outside the complex and pay for parking garages. The officers claim that the number of passes has been doubled. I hate to be a complainer, but thought I would ask. Should we just get here earlier? Or is there some other solution?
