Subject: Terrorism Risk Insurance

Attached please find a revised side-by-side (please discard earlier draft)  
and the outline of what a possible consensus bill might look like. Please  
let us know your thoughts ASAP.

Also, as I think everyone is already aware, I will be leaving town with my  
family on Tuesday, and won't be back until the 26th. I've already

postponed

our holiday plans once, and I'm afraid my kids will never speak to me again if I try to postpone again. I deeply regret that I won't be around to finalize this legislation (if we reach that point) but wish you all the best

in bringing this legislative saga to a successful conclusion. I think we have worked as a highly effective team and, win or lose, we can be proud of our effort.

I'll still be around Monday. From Tuesday on, I can be reached at my parents house [REDACTED] P6/b(6) Ed DeMarco, 622-2792, and his team will be carrying on in my absence.

Thanks

Sheila
