End Original ARMS Header

Let me lodge an appeal here, Brett. I will take out the references but I think some recognition that you are meeting with groups and talking through the order lets people know you are open to talking about it with the critics of the order.

What about backgrounding some of it? I am taking everything out though in case we don't make contact before I send it in. I can still do something with it early tomorrow while it is being edited.

Warm Wishes,

Martha
