Brett: Ed has asked me to take the lead on coordinating this response.
In August, you provided me the attached general counsel listing. Does your office have a more current version that you could provide me? The August list gives phone numbers, but not email addresses. Any chance your office has a list now that includes email addresses?

This is to help get you started in circulating Barr memo to dept GC's.

Also, please add Brad's name to mine as a possible contact in this office when you send around the Barr memo. He will be handling a lot of this work as well (and is already, as you know).

FYI: I will be out the week of the 20th. My cell is

P6/b6
