This is the final program that will be distributed for the event for POTUS
in NC on Feb. 27 - thought we should run it by you?

thanks so much Brett -

Coddy,

Attached is the printed program copy (in text format) for the North Carolina event in Charlotte on February 27 for White House review and approval.

It is the same format and nearly identical copy that was used for the Sessions-Birmingham event last summer.

We are confirming and completing the listing of contributors in conjunction with your review as we discussed.

Many thanks, Coddy. Please don't hesitate to call with any questions.

***North Carolina's Salute to
George W. Bush***

***Wednesday, February 27, 2002
Charlotte, North Carolina***

We are deeply honored to welcome you to *North Carolina's Salute to George W. Bush*. It appears as though this special event, on behalf of the Dole 2002 Committee, Hayes for Congress and the North Carolina Victory 2002 Committee, will be one of the most successful ever in the state of North Carolina.

This would not be possible without the loyal support and generous enthusiasm of our statewide Finance Committee members and everyone who took part in our Salute Leadership.

From Asheville to Wilmington and Concord to Salisbury, our capital city of Raleigh and our host city of Charlotte, thank you everyone for being here today to honor our president, George W. Bush.

Please accept our heartfelt thanks and gratitude for your continuing support and commitment to Elizabeth Dole, Robin Hayes and our get out the vote efforts for this fall.

Now on to victory in 2002!

The Dole 2002 Committee, the Hayes for Congress Committee and the North Carolina Republican Victory 2002 Committee would like to express its appreciation to all the individuals and organizations, who, without their support and dedication, ***North Carolina's Salute to George W. Bush*** would not be possible.

*Salute Leadership listing includes contributions received as of February 19.
Every effort was made to confirm the proper listing of individuals and organizations prior to printing.*
