This is true ... he encouraged people to take time off - June, July, August - but wanted to make sure there was appropriate coverage. We should think about this for ourselves too. Assume the President will use Crawford as his base of operations for most of August as he did last year.

Blake - we'll need to think about how to get you some vacation time - maybe coordinate w/Reed to back you up - or would Joe H. be sufficient?
Ashley - I know you haven't made plans yet

Here's what I'm hoping/contemplating: When the President goes to Europe later this month, I might take Thurs. & Fri. of Labor Day weekend

But I want to make sure you all find time for R & R too.

Apparently Sec. Card announced at Senior Staff this morning that he would like Joe to coordinate vacation schedules this summer to ensure White House coverage. Having said that, Sec. Card wanted me to let you guys know that he plans to be up in Maine from August 18-September 4th. Would you mind passing those dates on to Joe & Josh for their and your planning purposes?

Thanks.
Melissa
