Hi Brett --

Question for you. The Susan Komen Foundation is holding a dinner at the women's museum the night before the Race for the Cure on May 31st. My question for you (and it is explained a little more below), Can we have the President and Mrs. Bush sign race numbers to be given out? Everyone who attends will get a ticket and they will pick the recipients randomly from a bowl.

Do you think we could do this since it is not for a fundraiser?

Let me know,Meredith

hey Meredith--can the POTUS and FLOTUS sign the #1 and #2 bib numbers--these are strictly NOT for auction or fundraisng or anything like that. They will be given away at the eve of race event for survivors and supporters. I have the numbers here and can get them to the right person in person.

thanks

Hi Meredith. I know that Steve Robinson has hooked up with your  
communications  
expert. Here is the thing--I know you are leaving town, should we have a  
brief  
meeting to discuss the timeline and nature of this call? I mean to clarify  
all  
of the particulars including the timing, the recognition and potential  
interaction of the person on our end who answers the call? I want to make  
sure  
I understand all of the details so that we reduce like crazy and room for  
errors. Please advise...

Okay, I just talked to the Communications guy and he says I need two  
things:  
the phone number  
audio visual contact, sound person to make sure you all have the right  
equipment  
necessary.

let me know your timetable on the two also, i'm leaving town next thursday to the following tuesday so i'd like to get most of it done by tuesday next week.

Debbie --

I wanted to make sure that You all were setting up a phone number for us to call in. You had mentioned that you were working on it but I wanted to see if there was any progress. I'm hopefully going to talk to our Communications shop today, and I'm going to work on the Speechwriting request. I need to get that in by Friday so I may go over that with you.
