Potential Volunteers:

On behalf of USA Freedom Corps, thank you for talking with representatives of the many non-profit organizations who joined us at the service fair in the Indian Treaty Room and at the Fitness Run. Thank you also for taking the important step of signing up to start volunteering with one or more of these organizations.

We have been following up with the organizations and know that many of you have started participating or have signed up for training with their service programs. Last month almost 60 White House staff members participated in a Habitat for Humanity build in Northern Virginia helping to construct nine homes for low-income families.

For those of you who haven't gotten started yet, we wanted to suggest that now would be an excellent time to do so. Many of the organizations you signed up with are contacting you directly, but if you haven't heard from the organizations you are interested in or have misplaced their information, we have included a list of contact names and numbers at the end of this email to help you follow up. Our office will continue touching base with the organizations and with you via phone and email to keep up to date on our progress. In the meantime, please also feel free to drop us a line and let us know what you are up to.

Many thanks again for your interest in helping to answer the President's Call to Service, and for your support of the USA Freedom Corps.
