Cuddy:

This is the slate mailer for West Virginia. Can you get White House approval?

Thanks.

Gentlemen - my apologies - I forgot to mention to the artist that we were lasering candidates' names on the slate portion - we need to bring the slate card to the mailing panel side. President Bush will be on the opposite panel. Here is the updated art. Let me know what you think.

Good Evening Gentlemen --

Here is the initial artwork for the GOTV piece. Please make all desired changes and edits. Once we receive edits, we will send revised artwork for your final approval.

Will we be receiving new data? Can we get the new data by Tuesday? We would like to have a chance to work with the data before actually needing to personalized the pieces.

THANKS!

David
