Dear Playground Builders,

Thank you for your hard work! In just seven hours (including time out for pizza and ice cream) you helped to make an important difference for the children and families of the Oxon Run Park community. On Monday the playground was open for business. The planters were complete with little pine trees. The mud had dried. And according to all reports, our work is a smash with the kids.

We also thank you for giving meaning to the President's Call to Service, for setting an example for our colleagues, and in many cases for bringing friends and family members with you. We hope that you enjoyed yourselves as much as we did, and that you will consider joining the USA Freedom Corps for future building and restoration programs.

We will stay in touch with photos from the build and with invitations to work with KaBOOM! and other outstanding organizations in this area, and we hope that you will continue to join the millions of Americans who are answering the Call to Service.

-- The USA Freedom Corps
