..... to profile the great kavanaugh for next week's white house notebook.  
mentioned it to anne womack today and she was doubtful you'd be interested.  
still, i'd much value your cooperation. we have various mutual friends  
and they tell me you're a fine fellow even if you don't care much for my  
line of work. anyway, the conceit is a guy who's been on both sides of  
the presidential power question--challenging it and defending it--but  
that's malleable. thanks. dm
