It looks like the 6th is a good day for all of us, Brett. When we get closer to the date, I will send in the birth dates and Social Security numbers for the people coming. Unless you want us to broaden it out, it will be the same cast of characters.

Thank you again for listening to us on the presidential records issue and we look forward to the meeting. As we have done before, the group of us will get together beforehand to discuss what we as a group believe to be the important issues along with their priority as well as identify the concerns the members of the group. That way, you know what is important to the group as a whole.

Warm Wishes,

Martha
