Who specifically will not lift a finger to support Shedd in Louisiana?

Folks -- Got the Southern Baptists ready for action, just need any available information on Shedd in the religious liberty department.

And please understand that there are groups who are just flat going to put their foot down on this and not lift a finger. There is some SERIOUS bad blood here from the Terrell/Perkins thing. I'm working on it, but the consequences of this race have ramifications that will reverberate throughout our efforts in this filibuster/buster.
