Subject: Whack the Democrats!!!

Joe Di Genova did a great job on the Imus show this morning in support of Judge Pickering. He did a fabulous job of explaining what really happened in the cross burning case the Democrats are using against Pickering and showed just how hypocritical they are being.

Joe expanded his arguments to explain that when the truth about Pickering comes out the American public is going to hold the Democrats accountable. He also said that he was prompted to write to the I-man about Pickering when he heard Senator Dodd misstating the Pickering facts. Joe said that he has known Dodd a long time and that Dodd has always been fair to both Republican and Democratic nominees having experienced what happened to his father, Senator Thomas Dodd, who was censured by the Senate. Joe said that because of this background he is sure that if Senator Dodd knew the facts he would be fair to Judge Pickering. Ouch!!
