How would you like me to respond to our intern's second question?

Subject: Tuesday's Orientation

Since I'll already be in the building tomorrow morning would it be alright if I worked from around 11 (or whenever the security briefing ends) until around 3 or so? Also, this is a ridiculous question I'm sure, but is facial hair permitted on male interns (I never see many White House staffers running around with beards so I just wanted to check).

Thanks,
John Kammerer
