Subject: Meeting

It is time to have a meeting to begin discussing the foundations of grassroots and communications activity and coordination for the judicial fights to come, and to take stock of resources. I am including on this email key groups that I believe have a close relationship with the noms issue. If you think that there is any group or person that should be at this first meeting, please let me know.

The location will be determined, on or off the Hill. I propose Tuesday at 3:30. Please let me know your availability at this time.

(Steven, please invite Dee Cee.)
