Subject: P6/(b)(6)

Jennifer Beverly (our government customer support rep at 1800 G St) says that P6/(b)(6) is refusing to relinquish possession of his WHO (OHS) ; PC. He wants a CD of the data burned first. When he requested the CD originally, they went to his TPO computer, but there was no data on it. It seems he was using his WHO computer for his TPO work. So now he ;has stated he will not give us back the WHO PC until he gets a CD burned of the data on the hard drive of the WHO computer. Jennifer has emailed Faisal since it is way past the agreed upon date, but has not heard back yet. Evidently, P6/(b)(6) is putting on a lot of pressure on this issue, and Jennifer says he is getting nasty about it. ;We are trying to verify whether he still has a WHO laptop. Does this need WHO and OHS (HSC) counsel concurrence? Just need some guidance. Thanks. Bart
