Dear Abel,
I got your email address from Nina Bishop and you are remembered at US Soccer

as a soccer fan and someone who has helped our teams.

There is a good possibility that the USA will be hosting the 2003 Womens World Cup and I want to know if you are interested on serving on the host organizing committee. Service will involve some conference calls and helping

with international relations.

We should know by this weekend if we are getting the Cup. If we do, we will need to hit the ground running and your help especially with government relations will be invaluable. I also left a voice mail in your office.

Looking forward to hearing from you.

Warmest regards,

Bob Contiguglia

President, US Soccer
