Ben-

Thanks very much for talking up this effort with the state AGs and legislative folks. As we discussed, I believe getting a letter drafted and getting it signed is the first crucial step. Obviously you are in the very best position to identify potential signatories and to obtain the signatures. Do you need assistance in having a letter drafted?

In terms of the timing of the release, perhaps the day before the last day of the Supreme Court opinion releases, since there is a connection between what they are doing here and a Supreme Court fight. That day would be June 26. Some other news peg may arise, but this is the best I can come up with right now.
