Subject: AGs and Leg Leaders

Leonard -

Wanted to touch base regarding the letter from AGs and legislative leaders calling on Senate Dems in their states to break the judicial deadlock in the Senate. Have actually had an inquiry about what can be done in a coordinated effort on this issue from at least one office recently. As we discussed last week, I think having these leaders working in a coordinated effort, as opposed to numerous disjointed efforts with varying messages, can get some amount of bang in the states. Let me know what you're thinking about - I believe you mentioned another anniversary in June - for a kick off on this thing.
