Matt wanted to get your advice. I think he is looking for an opinion on the candidate and a suggestion for a surrogate (Judge will not be able to attend).

Thanks,
Tracy

Tracy,

The Judge will not be able to attend this fundraiser. I'm passing back to you all to choose a surrogate or handle as you deem appropriate. Will you please let me know how this is resolved?

Thanks!!

Carrie

Carolyn,

Helgi Walker was kind enough to contact you about getting a speaker from the Bush administration for a political event on June 30.

My husband, Ken Starr, and I are helping with a fundraiser for Jack Rust, a candidate for the Virginia House of Delegates. Jack, an attorney in Fairfax, Virginia, formerly served in the General Assembly, but he was defeated in the last election by a hair. So we very much want him to get

his seat back because he was the most effective Republican in the Virginia legislature.

On Monday, June 30 from 6:00 - 8:00 p.m., we are helping to host a reception at the home of George Shafran, a generous Republican with a beautiful home at (b)(6) in McLean, across the street from Colin Powell. We would like to have a prominent special guest attend the reception who will be a draw for the event. We would especially like to request if Judge Gonzales, Karl Rove, Andy Card, Larry Thompson or Ken Mehlman would be available? Unfortunately the invitations are scheduled to go out tomorrow so it would be helpful to know by then.

I have attached the invitation. If Judge Gonzales or someone from the administration can attend, we will place an insert in the invitation.

Many thanks for your assistance. - Alice
