Have someone return the call and explain that we are the White House and that they need to call the campaign or party for further information on political activity.

Matt,  
I'm passing on information from a voice message that was left on the  
volunteer line. Schuller (did not give his first name) wants information  
on what he called the "Rangers." He said he thinks it is the group that  
contributes \$200,000.
