Subject: Re: FW:

I like just a word document -- easier for all; we should just go through and make sure fonts and formats are consistent. I will help with that.

Subject: FW:

This is how it went last time - with the word doc as an attachment. I think part of the problem is the conversion from outlook to notes. This text is lined up as I look at it, how is it for you? Do you think we should only do a word document next time?
