Want to be sure I'm understanding you on this - pls call me when you have a sec. I think I understand the case - but not clear on which side he argued.

Ashley, I'm told by Sharon Castillo that you may know how to handle questions about cases Estrada argued as asst. solicitor general... If so, i've got people in IA who are asking how to deal w/ a RICO/NARAL case that Estrada had under Clinton (defending NARAL's position). Hispanics who are organizing for events this weekend have no idea how to deal with it. Pls let me know if you have any guidance or talking points. Thanks
