**Subject:** Legal Counsel Meeting Re: WAVES at the VPR

This to put everyone on stand by for a possible meeting next week with White House Counsel Brett Kavanaugh, date, time, and location TBD. If you are on this router it has been requested that you attend. The purpose of the meeting is to discuss potential implications with the WAVES Center as a resource for the VPR. Mr. Kavanaugh contacted [REDACTED] P6/b(6)/b(7c)/b(7e)/b(7f) and requested a meeting. Also present at this meeting will be Gary Stern, Attorney for the National Records and Archives. Mr. Stern will be providing the Vice President with his recommendations for use/non-use of the WAVES Center at the VPR. Obviously this meeting will focus on the WAVES Center and E-Pass and reasons why or why they should not be used outside the complex.

Once again, I will notify you as soon as I learn the date, time, and location of this meeting. Please be prepared to offer concise material regarding your expertise. If you have any questions, please contact me at 395-4325. We all may have to rearrange our schedules as this has become a priority with both Presidential and Vice Presidential Staffs.
