They met twice w/ Nixon at the WH in 1971 and 1972, but didn't meet w/
Reagan because according to their chairman, Deaver didn't like the CRs.

Can you have them tell you whether the College Democrats met at
White House under President Clinton and also whether the College
Republicans met here under Presidents Bush 41 and Reagan. Thanks. That
may affect the analysis.

Any chance to help these guys get this reception? The College Republicans were always short changed under Bush 41 and Reagan (though we did get to run

his birthday party). Can you guide me as to how to work this through the system? Thanks Susan.

<<presandveepinvite.doc>> Dear Jack,

Once again, I really appreciate your willingness to help. You have not forgotten where you came from and it certainly matters to the CRs.

We are looking for a reception in the White House or on the grounds of some kind from 5-7 pm on Friday June 29, 2001 for approximately 100 CR activists.

The group would consist of all state chairmen, present and future national officers and a few guests. I need not tell you the impact that such a gesture would have on these people. They would wed the College Republicans to the president in an unprecedented way.

I am forwarding on to you the letters requesting that the President and the Vice President speak to the convention. The Vice President said no and the President has yet to respond. Karl Rove and is speaking during the day.

We

have not requested any such reception through any official channels yet.

Hopefully, you can guide us in the right direction for that and possibly

put

in a good word. I will ask Ralph Reed for the same.

I look forward to seeing you at the convention at the end of the month.
