I have not taken care of this; do you want this one to follow up on?

Subject: FYI

We received a call from a Rich Fericy from New Jersey who called asking about a call he received yesterday to join the "Presidents High Level Business and Economic Council" to cut taxes. It was apparently a recorded message call. Im not sure of any of the additional details, but sounded suspicious to me. Rich Fericy can be reached at P6/b(6)
