ellen,

i had previously avoided giving their specific names given the nature of their roles. my thought was that the information, if ever needed, is contained in CIA's records. however, i'm happy to provide whatever information is helpful, so long as nsc & counsel are comfortable with it.

thanks.

steve / brett - guidance, pls.

Blake,

Is it somehow possible to start getting the names of the CIA briefers?
Could they "sign-in" or something with you....I have names of several briefers in my data base....i.e. (b)(3) 50 USC 3507

(b)(3) 50 USC 3507 I just don't when they are briefing anymore.... Or if there are new briefers. This question come up from time to time....who briefed. If you can get this for me that would be great.....

thanks,
e.
