Tony: You can reach me at 1800 G Street, 10th floor, tel. 456-2607, cell P6/b(6). I rarely use my DoJ office or e-mail at this point. If you have a draft you'd like us to review, could you contact me and I'll make sure Ed and Brett Kavanaugh get it? Faxing to my office here can be a bit of a problem, so it's best if you e-mail me drafts or call me before you fax them. Also, so you know, Ed has a fax at 456-1908.

Are there any filings coming up? Thanks, Robert

Robin, et al. - Would someone please be sure that Ed McNally in OHS receives timely copies of draft filings? I don't think he saw the motion until the day of filing. Many thanks.

Counsel,

Thank you for all your assistance in filing defendant's motion for summary judgment in the above-styled case. FYI, we filed the brief last night and I have instructed my secretary to send all of you a copy of it sometime today or tomorrow. Further, I note that under the current briefing schedule plaintiff's opposition is due on October 21 and our reply on November 5. I will fax you a copy of plaintiff's opposition as soon as it is received. Please inform me if there are persons, other than those listed on this e-mail who should also receive a copy of plaintiff's opposition and/or would like to be included in the review of our reply brief in order to avoid the delay in filing we experienced last night. Although I faxed a copy of the Court's scheduling order to all counsel on August 19, 2002, since some of you were not counsel at that time you might not have received a copy from your predecessors. Consequently, I will send a copy of the Court's Order along with our filing. If you need any additional information or documents, please do not hesitate to contact me. Thanks again for your tireless assistance.

Thanks!

I think Ed McNally has been/will be calling you. I've given him an overview.

Subject: Footnote 3

Robert,

FYI footnote 3 reads as follows:

In *Electronic Privacy Information Center v. Office of Homeland Security et al.*, Civil Action No. 02-620(CKK), OHS filed a motion for summary judgment in which it expressly argues that Office's exemption from the disclosure requirements of FOIA. See Defendant's Motion for Summary Judgment, filed May 2, 2002. That motion is currently pending before this Court.
