Justice Owen,

I don't know if you've seen this yet, but here's another link in the increasingly lengthy chain of Presidential statements on your behalf.

Enjoy your Labor Day!  
Nathan

And finally, we need to get him back up there so he'll support some judges that I nominated. (Applause.) I found fine people to serve on our bench; good, honorable, honest people. We named one, Pricilla Owen, recently. She's smart, she's capable, one of the top students when she was in law school at Baylor. She got elected twice -- I think twice, but I know she got elected at least twice statewide in Texas, with overwhelming numbers. She's a very, very smart and capable woman. But somehow, some of them up there don't like her. I guess maybe they don't like the fact that I nominated her. But this isn't right for the judicial system, for them to be playing politics with a fine, smart, capable woman. And we need people like Jim Inhofe up there to defend my judicial nominees in Washington, D.C. (Applause.)
