Scope and Content

The materials in FOIA 2014-0049-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 2014-0049-F contains emails sent or received by Commissioned Officers on November 3 and 4, 2004.

This FOIA is primarily comprised of email messages containing correspondence, schedules, a briefing paper, meeting announcements, press releases, and Presidential statements. These materials consist of correspondence sent or received by Assistants, Deputy Assistants, and Special Assistants to the President on a bevy of issues, including inquiries from the press regarding election results and post-election interviews, positive feedback about the Presidential

Emergency Plan for AIDS Relief (PEPFAR) program, and initial discussions regarding staffing plans for the second term. Also included in this request are CEA white papers on Productivity, ISM Manufacturing, Unemployment Claims, and Growth-Indexed Bonds. In addition, one will find phone messages, talking points regarding the extension of E.O. 12938 (Proliferation of Weapons of Mass Destruction), drafts of President George W. Bush's radio address, and the birth announcement of Miss Beazley. This request also includes two photographs, as attachments to email messages, of President George W. Bush accepting a concession phone call from John Kerry and Mrs. Laura Bush's visit to the Smithsonian National Museum of the American Indian.

System of Arrangement

The materials in FOIA 2014-0049-F are a systematic body of documents responsive to the topic of the FOIA. Researchers should consult an archivist about related materials.

Documents responsive to this FOIA were found in these collection areas – George W. Bush Presidential Electronic Records.

The Executive Office of the President (EOP) instance of the Electronic Records Archive (ERA) contains electronic records created or received by President George W. Bush. These records are stored in Search and Access Sets (SAS) that represent their originating computer program, such as Exchange Email or the Worker and Visitor Entry System (WAVES). In addition to records captured from the White House's electronic systems, EOP-ERA also contains records from the home and shared drives used by White House staff.
