Bush Presidential Records is governed by the Presidential Records Act (PRA) (44 USC 2201) and the Freedom of Information Act (FOIA) (5 USC 552, as amended) and therefore records may be restricted in whole or in part in accordance with legal exemptions.

Copyright

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (Title 17, USC) which governs the making of photocopies or other reproductions of copyrighted material.

Provenance

Official records of George W. Bush's presidency are housed at the George W. Bush Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).

Processing by

Staff Archivists, 2015. Previously restricted materials are added as they are released. Last Modified: 09/23/2019.

Scope and Content

The materials in FOIA 2014-0072-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 2014-0072-F contains materials related to President George W. Bush's correspondence with his pastors and other spiritual advisors, specifically Ted Haggard, James Mayfield, Mark Craig, Kirbyjon Caldwell, and Billy Graham.

This FOIA primarily contains materials from the White House Office of Records Management Subject Files PP (Presidential Personal) sub code. Case files from PP are generally comprised of documents that President Bush was given during the course of a few days' time and normally include correspondence, notes of missed telephone calls, schedules, agendas, weather reports,

news articles, talking points, and reports regarding upcoming events. Correspondence includes messages of support or thanks from President Bush's friends, family, and Administration members, as well as messages pertaining to events such as speeches, holidays, media coverage, or presidential trips. Correspondence from President Bush thanking people for their support or participation in official events and letters from members of Congress are also present. Other materials include one compact disc recording by Christian songwriter Darrell Evans.

System of Arrangement

The materials in FOIA 2014-0072-F are a systematic body of documents responsive to the topic of the FOIA. Researchers should consult an archivist about related materials.

Documents responsive to this FOIA were found in these collection areas –White House Office of Records Management (WHORM) Subject Files and Staff Member Office Files.

Staff Member Office Files are maintained at the folder level by staff members within their individual offices and document all levels of administration activity.

Staff Member Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.

WHORM Subject File is processed at the document level.

The WHORM Subject File compiled by the White House Office of Records Management is comprised of a series of documents assigned a letter/number combination and filed in a subject category. A complete listing of the subject categories including a detailed description of each category is available in our research room and on our website at www.georgewbushlibrary.smu.edu

The following is a list of documents and folders processed in response to FOIA 2014-0072-F:
