Scope and Content

The materials in FOIA 2014-0532-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 2014-0532-F contains materials related to Mrs. Laura Bush's trip to India in March 2006 where she visited Mother Teresa's Home for Disabled Children (Jeevan Jyoti) and the set of *Galli Galli Sim Sim* (the Indian version of *Sesame Street*).

This FOIA primarily contains schedules, press releases, fact sheets, briefing papers, talking points, background material, trip summaries, printed emails, news articles, maps, and photos related to the events described below. This request also includes thank you letters from Laura Bush to various event participants.

On February 28, 2006, President and Mrs. Bush departed the White House. After a stop in Shannon, Ireland for refueling, they traveled to Kabul, Afghanistan. Shortly thereafter, they continued to New Delhi, India to begin their official visit, arriving on March 1, 2006.

On March 2, 2006, President and Mrs. Bush participated in a formal arrival ceremony which was followed by a wreath-laying in honor of Mahatma Gandhi. Mrs. Bush participated in the taping of a segment for *Galli Galli Sim Sim*, the Indian version of *Sesame Street*, and visited a girls' home run by Prayas, an organization aimed at assisting impoverished and/or abused youth. Following these engagements, the President and Mrs. Bush had lunch with Prime Minister Manmohan Singh and his wife, Gursharan Kaur. The President and Mrs. Bush then traveled to the United States Embassy and greeted employees. Lastly, Mrs. Bush visited Jeevan Jyoti (Light of Life), the home for disabled children founded by Mother Teresa. That evening, President and Mrs. Bush attended a state dinner.

On March 3, 2006, the President and Mrs. Bush traveled to Hyderabad, India. Mrs. Bush participated in an event focused on HIV/AIDS, visited a Home Science School Lab, and participated in a roundtable on women's empowerment. The President and Mrs. Bush also traveled to New Delhi, India for remarks by the President before traveling to Islamabad, Pakistan.

On March 4, 2006, President and Mrs. Bush participated in a formal arrival ceremony. Mrs. Bush participated in a roundtable regarding education, met with Sehba Musharraf (wife of President Pervez Musharraf), and attended a briefing on earthquake reconstruction efforts within Pakistan. Mrs. Bush also attended a press availability with President Bush and President Musharraf and attended a formal lunch. Following lunch, President and Mrs. Bush traveled to the United States Embassy and greeted employees. That evening, the President and Mrs. Bush attended a state dinner before departing for their return to the United States.

System of Arrangement

The materials in FOIA 2014-0532-F are a systematic body of documents responsive to the topic of the FOIA. Researchers should consult an archivist about related materials.

Documents responsive to this FOIA were found in these collection areas: White House Office of Records Management (WHORM) Subject Files, Staff Member Office Files, and George W. Bush Presidential Electronic Records.

Staff Member Office Files are maintained at the folder level by staff members within their individual offices and document all levels of administration activity.

Staff Member Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.

WHORM Subject Files are processed at the document level.

The WHORM Subject File compiled by the White House Office of Records Management is comprised of a series of documents assigned a letter/number combination and filed in a subject category. A complete listing of the subject categories including a detailed description of each category is available in our research room and on our website at www.georgewbushlibrary.smu.edu

The Executive Office of the President (EOP) instance of the Electronic Records Archive (ERA) contains electronic records created or received by President George W. Bush. These records are stored in Search and Access Sets (SAS) that represent their originating computer program, such as Exchange Email or the Worker and Visitor Entry System (WAVES). In addition to records captured from the White House's electronic systems, EOP-ERA also contains records from the home and shared drives used by White House staff.

The following is a list of electronic search results lists (SRLs) and folders processed in response to FOIA 2014-0532-F:
