FOIA 2015-0283-F requested textual records from the office files of Gary Edson related to the Millennium Challenge Account (MCA) from August 1, 2001 to November 25, 2002.

This FOIA primarily contains newspaper and journal articles, fact sheets, charts, maps, routine memoranda, binder tabs, printed e-mails, and press releases all related to meetings and documents concerning the Millennium Challenge Account. Also included is a letter from Bono to President George W. Bush, and copies of R. Glenn Hubbard's remarks, "The Millennium

Challenge Account: Taking Governance and Growth Seriously,” which he delivered in 2002 at the conference *Making Sustainable Development Work: Governance, Finance, and Public-Private Cooperation*.

### **System of Arrangement**

The materials in FOIA 2015-0283-F are a systematic body of documents responsive to the topic of the FOIA. Researchers should consult an archivist about related materials.

Documents responsive to this FOIA were found in these collection areas – Staff Member Office Files.

Staff Member Office Files are maintained at the folder level by staff members within their individual offices and document all levels of administration activity.

Staff Member Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.
