Scope and Content

The materials in FOIA 2015-0322-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 2015-0322-F requested textual records and photographs related to Thaddeus Ridley.

This FOIA primarily contains barcode scanning sheets, routing memos, Oval Office departure photographs, photographs of Camp David and White House staff with President George W. Bush, and signed photographs of children who participated in a Christmas pageant with President George W. Bush and Mrs. Laura Bush.

System of Arrangement

The materials in FOIA 2015-0322-F are a systematic body of documents responsive to the topic of the FOIA. Researchers should consult an archivist about related materials.

Documents responsive to this FOIA were found in these collection areas – White House Office of Records Management (WHORM) Subject Files and George W. Bush Presidential Electronic Records.

WHORM Subject Files are processed at the document level.

The WHORM Subject File compiled by the White House Office of Records Management is comprised of a series of documents assigned a letter/number combination and filed in a subject category. A complete listing of the subject categories including a detailed description of each category is available in our research room and on our website at www.georgewbushlibrary.smu.edu

The Executive Office of the President (EOP) instance of the Electronic Records Archive (ERA) contains electronic records created or received by President George W. Bush. These records are stored in Search and Access Sets (SAS) that represent their originating computer program.
