Scope and Content

The materials in FOIA 2018-0167-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 2018-0167-F requested materials related to visitor logs of the White House and Eisenhower Executive Office Building for 2007-2009 for individuals who visited or met with Michael G. Waltz, Special Advisor to the Vice President for South Asia and Counterterrorism.

This FOIA primarily contains Worker and Visitor Entry System (WAVES) records from 2008 for individuals visiting Michael Waltz.

System of Arrangement

The materials in FOIA 2018-0167-F are a systematic body of documents responsive to the topic of the FOIA. Researchers should consult an archivist about related materials.

Documents responsive to this FOIA were found in these collection areas – George W. Bush Presidential Electronic Records.

The Executive Office of the President (EOP) instance of the Electronic Records Archive (ERA) contains electronic records created or received by President George W. Bush. These records are stored in Search and Access Sets (SAS) that represent their originating computer program, such as Exchange Email or the Worker and Visitor Entry System (WAVES). In addition to records captured from the White House's electronic systems, EOP-ERA also contains records from the home and shared drives used by White House staff.

The following is a list of electronic search results lists (SRLs) and folders processed in response to FOIA 2018-0167-F:
