Scope and Content

The materials in FOIA 2018-0227-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 2018-0227-F requested photographs of the White House Press Briefing Room during renovations.

This FOIA primarily contains photographs of the James S. Brady Press Briefing room during renovations. Photographs span the time period from August 2006 to July 2007 and show demolition of the Press Briefing Room and Lower Press Office, construction in these areas including the "swimming pool" underneath the Press Briefing Room, and the final results of renovations.

System of Arrangement

The materials in FOIA 2018-0227-F are a systematic body of documents responsive to the topic of the FOIA. Researchers should consult an archivist about related materials.

Documents responsive to this FOIA were found in these collection areas – George W. Bush Presidential Electronic Records.

The Executive Office of the President (EOP) instance of the Electronic Records Archive (ERA) contains electronic records created or received by President George W. Bush. These records are stored in Search and Access Sets (SAS) that represent their originating computer program.
