Scope and Content

The materials in FOIA 2019-0114-F are a selective, not necessarily all inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related materials.

FOIA 2019-0114-F requested schedules and photographs in relation to President George W. Bush meeting with the 2001 National Federation for the Blind Mt. Everest Expedition Team.

This FOIA primarily contains schedules, routine memoranda for events, scheduling memoranda, Presidential call logs, printed emails, web pages, Presidential movements and Worker and Visitor Entry System (WAVES) records. This FOIA also contains photographs of President George W. Bush meeting with Erik Weihenmayer, the first blind person to summit Mt. Everest, and members of his climbing team on July 26, 2001 in the Oval Office.

System of Arrangement

The materials in FOIA 2019-0114-F are a systematic body of documents responsive to the topic of the FOIA. Researchers should consult an archivist about related materials.

Documents responsive to this FOIA were found in these collection areas – Staff Member Office Files and George W. Bush Presidential Electronic Records.

Staff Member Office Files are maintained at the folder level by staff members within their individual offices and document all levels of administration activity.

Staff Member Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.

The Executive Office of the President (EOP) instance of the Electronic Records Archive (ERA) contains electronic records created or received by President George W. Bush. These records are stored in Search and Access Sets (SAS) that represent their originating computer program.

The following is a list of electronic search results lists (SRLs) and folders processed in response to FOIA 2019-0114-F:
