Scope and Content

The materials in FOIA 2023-0037-F are a selective, not necessarily all inclusive, body of records responsive to the topic of the FOIA. Researchers should consult an archivist about related materials.

FOIA 2023-0037-F requested Staff Member Office File (SMOF) records under the folder title “Lockheed Martin” for the dates of January 1, 2001 to June 30, 2001.

This FOIA contains one memorandum and one letter from March 2001 communicating Lockheed Martin Corporation’s support of President George W. Bush’s proposed 2002 tax plan and one reply letter from Marc Sumerlin expressing thanks for said correspondence.

System of Arrangement

The materials in FOIA 2023-0037-F are a systematic body of records responsive to the topic of the FOIA. Researchers should consult an archivist about related materials.

Records responsive to this FOIA were found in these collection areas – Staff Member Office Files.

Staff Member Office Files are maintained at the folder level by staff members within their individual offices and document all levels of administration activity.

Staff Member Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.
